## **Summer Work 2023**

For this summer, we at AMHS are taking a different approach to summer work. We want all of our students to enjoy time with their friends and family. While participating in that enjoyment, you may choose one of the following activities to complete. At the beginning of the school you will have the opportunity to share your work, if desired, with Class Advisories. If you do complete one of the activities below, please let the main office know.

### **Option 1 (Book reading and Recommendation):**

- Go to the Avon Public Library and select a “new to you” book to read.
- After reading the book, write a brief reflection about what you enjoyed about the book and discuss reasons as to why you would, or would not, recommend this book to others to read. The reflection should be 1-2 typed pages in length.

### **Option 2 (The Summer of Awesome):**

- Get a blank notebook and/or a blank journal.
- Each day, write down one awesome thing that happened to you. This awesome thing can be a specific activity, spending time with people you care about, or simply eating your favorite food. The only stipulation is that it needs to be positive and awesome to you.

### **Option 3 (Photo Journal):**

- Create a photo journal and/or collage of your summer.
- Simply use your phone and/or camera to take photos of amazing people, places, or ideas. After you have taken a bunch of photos, create a photo journal and/or collage. Feel free to use sites like Canva to create your photo journal and/or collage.

Good luck and Have Fun!  
Principal Desmond
